

Ranking Actions for Value

Ranking the Value of Inquiry Actions

As a group, review the specific activities you engaged in as a collegial inquiry team. (You can make a list together or refer back to past agendas.)

Individually, identify three specific activities from the list that were most valuable for you. Rank them in order of value—with 1 being “of greatest value”—and provide your reasoning for the ranking.

Ranking	Activity	Why was this of value?
1		
2		
3
